## PRAISE FOR THE DYAMONDE DANIEL SERIES!

“Dyamonde, a third grader, has ‘wild-crazy hair’, is ‘skinnier than half a toothpick’ and is more than equal to the challenge of entering the crowded field of confident grade school heroines.”

— *New York Times*

“Dyamonde’s readers will enjoy seeing a strong, smart African American girl face the same challenges they do. A treasure.”

— *Kirkus Reviews*
